

TASMANIAN SONG COMPANY

April Snippets

Committee:

Just confirming that Liz and Jean are sharing the Treasurer's role, and Maree will be Secretary with assistance from others on the committee.

Be involved:

Flash Mob—we're excited! Video cameras and singers needed.
Choir members needed to investigate a more modern look for our *uniform*.
Design a *logo* competition—with a prize.
Trios, duos quartets... Your chance to shine!
Do you know of any cheap *printing* options?

Bruny Concert

A new format has been suggested which includes singing with the Bruny Island Choir, this sounds fine and Annette and Rachel will contact them for specific details.

Regional Concerts

Any other ideas?

Let's go to Vauclose Gardens again—perhaps August or November?

June concert at Wesley Hall? Perhaps a Sunday afternoon concert for family and friends. Church will be contacted to

see if they would like to be involved (and perhaps provide the hall at no charge).

We're creating a Welcome Package for new members.

Press Release for Brookfield is going out—some people have put the poster in their cars! We only need to cover costs.

Musical Directors Report

We have enough material for 1 1/2 hour concert at Brookfield with Rachel and Iestyn performing solos.

Rachel has offered to create 10 min warm up CDs for each voice part at minimum cost. This will take some time to create, but is especially welcome.

Rachel's absence in July - we only have to cover 4 rehearsals.
