Annette Schmidt

Helen Chapman

Maree Richards

Liz Oakley

Maple Chung

Jean Gray

Irene James

Anne Temple-Smith

Nick Beeton

As the newest committee member, Nick was warmly welcomed. We are delighted that each voice part is now represented on the committee.

## Risers

The new choir stands could have these features

Folding legs

Light weight

Backs

Wide tread so we can sit down

Ease of storage

Wheels

We are approaching local companies for quotes. We will pursue the option of winning a grant to pay for them after we have decided on what we want and how much it will cost.

## Logo

Tasmanian Song Company now has a logo! The committee will start to investigate different ways for the logo to be used. Some ideas are:

Canvas music bag

## Musical Director's Report

Rachel has requested some exciting new music for the Town Hall Concert, with a view to next years celebratory concert.

She has arranged a meeting with Wendy Kennedy to discuss her participation in the Town Hall Concert.

Rachel has suggested that two vocal groups she works with at Claremont and Elizabeth Colleges might be included in the Town Hall Concert.

Feedback from Sing A Rainbow concert at Home Hill was good. Next time we perform

there we should consider setting up small groups of tables and chairs for the audience to change the ambience.

## Bits And Pieces

Home Hill Winery have asked us to give another concert in late November, possibly with a Christmas theme. We thought this might be a lovely venue for our Charity Concert.

*Sing a Rainbow* Concert at Home Hill made a profit.

There will be some occasions that Iestyn is not available and Hans has been asked to fill in but he has not yet confirmed.

We have almost replaced all

the music lost by Spring Bay Singers. We are now able to send an invoice to them.

We still haven't received a reply from ABC about TSC providing a "clean copy" of Tasmanian National Anthem.

Correspondence received via email and post was tabled. It included details about sharing recordings of the concert amongst choir members. Thanks to Suzie

and Alan for providing an extra opportunity to practice at home with full choir and piano accompaniment.

We will send our future concerts program to the CHATS Program which organizes outings and activities for older, isolated and lonely people who live independently.

We currently have 33 choir members.

Concert at Rosny Barn will be 2 x 30 minute halves with tea and coffee available at intermission
