

TASMANIAN SONG COMPANY

August Snippets

Snippets

A newsy snapshot of what is happening at committee meetings. There was no meeting during July.

We're Planning:

Aug 25 —Bunnings BBQ fundraiser

Sep 30 —Extra rehearsal 2-4 pm, upstairs Wesley Hall

Oct 12—Rehearsal for Global Harmonies

Oct 14th—Global Harmonies 2pm

Oct 28—Bruny Island Concert (tbc)

24 Nov— Glenorchy Carols by

Candlelight and promotion at Northgate

24 Nov— Wesley Hall Charity Concert in aid of Guide Dogs (tbc)

25 Nov—Vaucluse (tbc)

8 Dec—Glenorchy Carols by Candlelight

2013—Concert with Cygnet Singers (tbc)

MD Report

Rachel submitted her report via text due to being very unwell. She confirms that we are well on track for Global Harmonies, but has not approached anyone to be our guest performers. She is open to suggestions.

Treasurer's Report

Was tabled and we continue to have a healthy balance. A breakdown of uniform expenses is required at the end of September.

Membership Report

Members who had not attended for a considerable time were removed from the membership list, although they will still be sent Snippets. Sandra provided a list of people who have outstanding sheet music and it was decided to contact them requesting that the music be returned and a final request for measurements and money for the new uniforms.

Plugged! Concert feedback

We loved the venue and would like to use it again, at \$90 for half a day its quite inexpensive too. Feedback from the audience and musicians was positive. We were very pleased that we made a profit but may have only broken even if the other guitarist had been available. Helen was disappointed with publicity given by The Mercury.

Uniform Report

Irene will continue to liaise with the Sewing Room. Deadline for uniform measurements has been extended to 27th August. As almost all the sleeve lengths were too long it was decided that the additional \$20.00 each charged by the Sewing Room to alter them would be paid by TSC. It was reiterated that when the uniform is worn no other garments are to be visible underneath it.

Logo

At previous meetings, committee members had not agreed on a logo design from the ones that had been submitted. It was decided to look outside of the choir.

We'd like to publically express our heartfelt thanks to all those who sent their ideas to us, especially Heidi who submitted more than one design.

Some Correspondence

- Annette represented TSC as a stakeholder in a consultation regarding the redevelopment of the Moonah Arts Centre.
- Annette will contact Wesley Hall administration regarding the dancers staying on after their time.
- Letter from Justice Dept re Annual Return of Association.
- Insurance Certificate required by Bunnings was found and submitted to them by the required date.

Bunnings BBQ

This is our only non-singing fundraiser. We reviewed arrangements, very glad that Annette managed (once again) to pass the safe food handling test!

Maree will contact Bunnings to find out if there are any other promotions being held. Irene has been checking prices and Maree will do all the major purchases.

We decided that we would have fresh onions and various committee members volunteered to slice them finely.

Jean emphasised the need to have the BBQ cooking surface as level as possible.

We looked at the times that people had volunteered to work at the bbq and allocated specific times for those who hadn't indicated any, ensuring that there was at least one committee member on site at all times.
