

TASMANIAN SONG COMPANY

February Snippets

MD's Report

The program for Vaucluse has been selected. Rachel and Iestyn will also perform a solo each. Rachel has had a tentative yes from Nicole Simms to be the soloist for our September concert

Treasurer's Report

Annette pointed out that there is not enough money in the cheque account to cover the usual expenses we have at the start of the year. We will transfer some money from the investment account to the cheque account. We currently have 34 members.

Bruny Concert

There is a proposal that we would be part of a choral weekend. We were concerned that our usual audience would prefer to attend local performances and not ours.

The aim would be for us to at least cover our expenses. We will write to the organizer to clarify.

Resignations

Peter Stone has resigned due to ill health. Letters of thanks will be sent to Helen Young, Sandy Costa and Peter Stone.

Choir Etiquette

Complaints have been received from several choir members about people chatting during rehearsals. This makes recording in particular very difficult.

Vaucluse

Pam and Rachel will check on the set up. The audience will be charged \$5 each.

Committee Changeover

The next committee meeting should be attended by both former and new committee members to help with the change over, and it should be a more social event.

Grant is willing to keep running the website and Helen is happy to keep doing our Facebook page and Snippets.

Tasks regularly undertaken by Secretary and President to be reviewed to help the new people in those positions.

Pam thanked everyone for their support over the last 10 years.

Dates for your diary
