Shopping Centre Carols:

This was a tremendous undertaking by the choir, and it all went VERY well! A vote of thanks was extended to Rachel for her enthusiasm and organization. The wonderful carol booklets, properly pitched and organized made such a difference. A total of \$1885.00 was received.

Charges for loan of music

We've agreed on a more flexible policy depending on the age and condition of the music loaned to choirs. Newer music will still be loaned at 30% of purchase price + P&H.

Uniform

We now have the money from the grant in the bank. Tenors and Basses will have a blue open neck shirt in the same fabric as Sopranos and Altos. There will be no more rehearsal time devoted to discussion of uniforms. We'll keep you updated via Snippets but if you have any comments or suggestions, please give them to a committee member in writing or email tasmanian.song.company@gmail.com We are committed to wearing the new uniform for our Main Concert in September.

Give it a Go!

We are having a special rehearsal on 5th March for anyone who would like to come and experience singing (in parts) with a choir. Would you like to show your family and friends what's involved? We hope that it will be good fun!

Money, money, money

We have a very healthy bank balance at the moment meaning that we won't need to increase subs this year.

Terms for 2012

6th February, 4th June and 17th September. Members are expected to pay their subscriptions within a month of the start of each term. If you find that this is a problem PLEASE talk to the Treasurer (Liz Oakley)

Music Library

Sandra, Helen and Rachel have spent some long but productive evenings during the Christmas break conducting a major audit of our music. A lot of illegal music has been discarded. We have about 200 corrected items and some of those don't have enough copies for all choir members. The music stored at Pam's still needs to be checked.

The committee unanimously gave a vote of thanks to Rachel, Helen and Sandra for their efforts in sorting out our music.
