

January Snippets

Welcome!

Welcome back to all our members!

And we'd like to give a very special welcome to our new Musical Director, **Andrea Scott**. Please wear your name tags every night, especially to help Andrea to settle in. It also helps newer members remember names, too!

Correspondence

The committee will follow up on issues from last year, including a request to hire our new risers. We agreed to a small rental increase for Wesley Hall and agreed to requests to hire some of our music from interstate choirs.

Hobart Town Hall Hire

After wonderful support during our silver anniversary celebrations from Alderman Ron Christie, we approached him with several suggestions to reduce the cost of hiring Hobart Town Hall for our major concert each year. We will continue these discussions.

Website / Men's Corner

Nick will continue to update our website and organise occasional social sessions for the men. A suggestion about a final sing for Rachel was put forward, but it was felt that she had been appropriately farewelled at our last rehearsal. We do hope that she will find time to pop in and see us before she heads overseas.

Membership

At the end of the year we had 32 members. We have received queries from people and are expecting 4 people to "try 3 for free" in the first few weeks of this year. Please keep a friendly eye on new people—you could help them to a cuppa at supper time, or show them where the toilets are.

Maree Schafer has resigned after taking some time off during 2014, she has been a member since 2002 and we'll miss her.

Membership Kit

The membership kit will be updated after the AGM.

AGM

The AGM will be held in March, and current financial choir members will be given 2 weeks notice. This very important meeting usually only takes about 15 minutes. Please consider contributing to your choir by joining the committee.

January Snippets

Musical Director's Report

Many of us have already met Andrea when she filled in for Iestyn on a couple of occasions.

We were delighted to see a potential month by month program for 2015 with lots of new ideas, first of which could possibly be a performance at "Love Living in Kingborough" in March.

Brochures for prospective members

It was suggested that we should have some information available for prospective members. It was decided that we could adapt the leaflets that were given out at previous open rehearsals. Please ask a committee member if you would like a couple of these leaflets to give to anyone interested in Tasmanian Song Company.

Glenorchy Carols Committee

Tasmanian Song Company is regularly represented on this committee and feedback from choir members and TSC Committee will be given at their next meeting.

Dates for Your Fridge

♦ **Every Monday night at Wesley Hall. We start singing at 7.30pm!**

♦ AGM March

♦ March Vacluse—TBC

♦ Sunday 15 March "Love Living Locally" at Kingborough Civic Centre—TBC
