

June Snippets

Welcome!

To our newest member: Rita.

Risers

We've found a local manufacturer and now need to apply for a grant. Irene will ask them to extend the time limit on the quote.

Part Mentors

We were sure that more experienced members always kept a kindly eye on new members but we will identify someone so that "newbies" will always be looked after:

- Nick—Bass
- Shaun—Tenor
- Maple—Alto
- Irene—Soprano
- Lorraine—Soprano

Logo

We've looked at what our logo will look like on a few different products: Pen, Bumper sticker, Fridge magnet, Mug etc. But we prefer to try and source this type of thing from a Tasmanian company and we'll continue to investigate along those lines.

Brookfield Concert

Called "Sing A Rainbow At Brookfield". We decided not to book in for a meal on 28th July, but will investigate the cost of some platters which we could share. Admission costs will be \$10.00 (\$8 concession). Maple will create some posters, and a song list.

Masonic Grand Lodge Installation

We are honoured to be invited to perform at the Masonic Grand Lodge Installation in February 2014.

We usually sing four brackets of two songs, remaining on stage for the entire ceremony.

We will start rehearsing this towards the end of 2013, but will need to return from our Christmas break a little earlier than usual.

Musical Director's Report

Rachel would like everyone to become familiar with new songs before we actually start them on Monday nights —details will be announced during rehearsal.

We are performing in such a variety of spaces that we need to get used to being next to different people all the time - lots more moving about in rehearsals, we'll try a circle, 4 short rows, singing around the piano, etc, etc. Just so no-one panics when we are forced to be in a different formation than usual!

Elizabeth College vocal group will perform with us at the Town Hall, subject to completion of the paperwork. All being well we will have 10 lovely young singers with us, as well as a surprise special guest.

Town Hall Concert

Title of the concert will be ***Sing For Ever After***, plans are progressing well and we should have posters ready for Annette to send out in her Letter To Friends. We will once again enjoy supper afterward at the Town Hall with family and friends. We'll ask Margaret Campbell to cater for us again.

Membership Jean will take over all aspects of membership. We currently have about 26 people regularly attending rehearsals.

Rosny Barn Concert We made a profit!
