

The Singing Snippets

What a topsy turvy year it has been!

We started back rehearsing in February as usual with lots of enthusiasm and plans for performances during the year.

Unfortunately, our rehearsals came to a halt in March when COVID took a hold in Tasmania and we decided to take a break for a few weeks. By May we were all missing our singing and decided to embrace online rehearsals on Zoom, with our musical director, Matthew, and our accompanist, Amanda, leading the choir. Not quite as satisfying as the real thing but at least we could see each other.

By late June, with no COVID cases in Tasmania for some time, we tentatively started holding rehearsals back at the Lenah Valley Hall while still offering Zoom on line rehearsals for those who preferred to stay home.
