Community Grant Applications

Special thanks to Suzie who provided some wonderful suggestions! And thanks also to Maree who stepped in to finalise things when Annette suddenly found herself without internet access.

Men's Corner

Concern regarding the small audience numbers at the Town Hall Concert. Nick has done more work on the website and is using Flickr to display of photos. Nick will also follow up some leads to get more publicity for concerts.

Sing for Ever After at the Town Hall

Thanks to Maple who donated the cost of printing the programs. Unfortunately we did not make a profit.

Resignations

Regretfully Alan Matthews has resigned. We hope he's settled into his new home.

Carols by Candlelight

Annette and Rachel will represent TSC on the organizing committee

Masonic Grand Lodge Installation

Rachel will liaise with Alan Sangwell regarding the music. We would like to be prepared to lead everyone in specific hymns. The Sangwell family have a long association with Tasmanian Song Company and we are especially pleased to be invited to sing at the Installation

Home for Christmas at Home Hill

Admission will be \$10 each, purchase tickets at the door.

25th Anniversary Celebrations

We have lots of ideas!!! Gala Concert at the Hobart Town Hall on Saturday evening followed by a matinee on Sunday afternoon, and a celebratory dinner on Friday evening. We will book Iestyn for a solo. We could take a soloist on our Regional tour. We'd like to share a concert with other choirs—hopefully increasing the size of the audience, sharing costs and any profit. We could involve the audience in a sing-a-long. Anne and Leon have public vehicle licences so could drive a bus. We have a long list of past soloists, musical directors and accompanists all of whom we want to invite to share in the celebrations. A powerpoint show of Tas Song company over the years would be great. Perhaps some people could skype in, or send videos to share.

Final rehearsal

We will have a fun social evening! It will be held in the room upstairs at Wesley Hall. Spicks and Specks type of musical games were so much fun last year, that we'll do it again. We'll ask all choir members to bring something to share—last years spread was luscious!!

Website

Tasmanian Song Company is not accessible at the moment—we're working on it!!

Open rehearsal

Lots of people enjoyed this again. Thank you Rachel and Iestyn.

Welcome to new members!

Sarah, Gwyneth and Rosalie.

Bunnings BBQ—2014

We really only do one dedicated fundraising activity each year, and Bunnings BBQ has become a social activity too! Its not onerous and is very worthwhile in terms of making a profit.

Date is Saturday 23 August 2014 from 8.30am. We must start selling sausages by 9.00am and the price will be \$2.50.

Grant Applications

2 Grants have been applied for, one for assistance obtaining new choir stands and one for assistance in funding Silver Anniversary celebrations.

Website P.S.

Thanks Iestyn who has gone above and beyond—the website is back up!!
